## EDITORIAL - EAR TO THE GROUND

The Village Hall Committee held their AGM on 3rd February and 27 residents attended. The Lincs. Co-operative Society gave us a cheque for £1000 and their representative congratulated us on our achievements over this last difficult year. We have now spent this award on ten new tables for the hall and they have already been delivered!

The accounts submitted showed that even though we have got the temporary hall up and running, our bank balance remains in good order. This is partly due to the hard work of your committee and partly due to the generosity of many people, either with their labour or cash. We thank them all.

Our planning application for a new hall has now won approval and so we can hopefully move forward. The great bonus is that we can continue to use the present hall for as long as necessary.

The coffee morning on 14th February was well attended with hot buttered crumpets proving very popular as were the tombola and cake stalls. The hall funds benefited by over £100. Our next social event will be a quiz on 13th March at 7.30pm - excellent value at £3 with home baked goodies on the buffet included. (Easier questions please I hear you shout! OK I give in, some really easy ones this time!) Look forward to seeing you. Di Goddard

## NOTICE BOARD

### FORTHCOMING EVENTS IN THE VILLAGE HALL

Saturday 13th March General Knowledge Quiz

at 7.30pm Entry £3 includes buffet.

If you have a child under school age why not come along? You will be most welcome.

Wednesday 10th March AGM of the Parochial Church at 7.00pm Council in St Lukes Church

Everybody welcome.

#### SPECIAL FEATURES

##### PARISH COUNCIL NEWS

At the January meeting of the Parish Council, illegal hare coursing was discussed with farmers calling for a ban. Little more can be said other than that it is an ongoing problem that needs to be resolved by legislation.

A 20 miles per hour advisory speed limit has been imposed on Main Street near the school (please obey it). No progress has been made on the footpath, needed to run up to the Triangle conservation area. No progress was reported on the provision of a seat on Vacherie Lane. The next Parish Council meeting will be in the village hall on 15th March at 7.30pm.

##### COMMUNITY MINDED?

Do you like living in Kyme? Are you a good neighbour? Are you too proud to pick up your dog's mess from the pavement? Because someone is!

##### PEOPLE IN THE NEWS

Congratulations and best wishes to Roy and Margaret Maidens on their Ruby Wedding Anniversary - 29th February 2004.

LETTERS TO THE EDITOR are very welcome. You may use the new post box on the village hall or e-mail us on [dijohn@supanet.com](mailto:dijohn@supanet.com) - come on let's hear from you!

### EDITORIAL - EAR TO THE GROUND

Here we are again with Springtime on our doorstep and the lovely spring flowers in our gardens. The world news is so bad on the TV and everything in the newspapers is doom and gloom, so it makes me really thankful that I live in such a small community with good friends and neighbours all around me.

The village hall had some good get-togethers starting with the quiz on March 13th. These evenings are always popular and we nearly had 'house full' signs! A collection of small change was made at half time and the committee doubled the amount raised to £70 which we have sent to our L.I.V.E.S. First Responder group.

The Easter Fun Day was another success with the senior citizens enjoying 'Burger Bill's' antics as much as the children did! The hot cross buns, plant stall, games and excellent tombola prizes all made it a really good day.

Finally, on April 24th, Mel Hague entertained us with his superb country and western act. He is a talented guitar player and the music had everyone's feet tapping. These three events have raised about £500 for village hall funds which helps to keep the hall running. Well done to all committee members for their hard work.

Di Goddard

Wednesday 7th July Sports day 1.30pm in the school field.

Friday 16th July Football match plus

from 6.30pm. school barbecue

Tickets from school office - everyone welcome

#### SPECIAL FEATURES

#### PARISH COUNCIL NEWS

A Parish Council meeting was held on 15th March in the village hall. Councillor D. Dickinson of NKDC and three members of the public also attended. A resident had raised various issues in a letter to the council and these were discussed as follows; (1) The village notice board was displaced during some repairs by BT. The parish council have notified BT but so far with no result. (2) The damaged seat opposite the 'Coach House' is to be repaired 'as soon as possible'. (3) The Church Lane sign on the church wall needed repairing - this has now been done. (4) Signs on green boards at each end of the village are now incorrect and should be amended. The District Council are responsible for these signs and Cllr Dickinson said he would investigate the matter. (5) A Village Hall direction sign is needed but apparently the position to place it is 'difficult'.

Neighbourhood Watch Area Co-ordinator is Judith Johnson and if any residents of North Kyme are interested in setting up such a scheme in our village they should contact Judith on 01526 861293.

#### L.I.V.E.S. FIRST RESPONDERS - MEETING

Tuesday 11th May. Do come along and find out more about the group - everybody welcome.

Tel. Barbara on 861465 for further details

## DARBY & JOAN CLUB

This club holds its meetings on the first Thursday in every month and a delicious tea is served before any speaker is heard. During the summer months there are some good outings by coach plus a summer fete in July and coffee mornings in various members gardens. All these get togethers are popular and as long as you are over 60 and live in North Kyme you are very welcome to join. Ring the editor on 860872 for further details.

READERS LETTERS - (Please use post box on the V.Hall)

Dear Editor

Since straw burning was banned, do we have to put up with nearly all year round burning by certain people!! Most people pay to get rid of their rubbish. Please recognise that other people live in this village.

Thank you, A Resident

(The summer months can be a problem if people play their radios too loudly or have bonfires when their neighbours are sitting out in their gardens. We should all try to think of other people. - Ed)

## EDITORIAL - EAR TO THE GROUND

Midsummer now and the county has been buzzing with the two big shows at Lincoln and Waddington. We do things in a smaller way but it's fun and it's our very own village 'do'.

Coming along shortly are the strawberry teas on July 18th and then later in August our Garden Produce and Craft Show. This year these will be in our own village hall with it's nice lawn area at the back. We are expecting you all to support us with your own produce or a craft item, so that we can have a super show. The schedules are enclosed, have a good look and see what classes you can enter. Please encourage your children to enter their own classes, it's so important for youngsters to join in and feel part of the day. There will be ice cream, teas and tombola as well as 'Mrs. Lollipop' to entertain the kids, with the auction and prize draw at 4.00pm, so there will be plenty to see and do. The Autumn scene looks good with a quiz in September and jazz singer Sheena Davis returning in October. Finally, what good news to have our footpath done at long last! Now people can walk in comfort to the 'Triangle' picnic area.

Di Goddard

Many thanks to Barbara & Martyn Grice for printing this issue.

## NOTICE BOARD

### FORTHCOMING EVENTS IN THE VILLAGE HALL

#### SPECIAL FEATURES

## PARISH COUNCIL NEWS (AGM 17/5/04)

Council officers were agreed for the coming year.

The field for the new village hall has outline planning permission and Cllr Pout and his team are hoping to take the plans forward. The Parish notice board has now been repaired but the seat opposite the Coach House still needs mending.

The signs at each end of the village are still telling travellers that we have a post office and stores (I wish). The signs are the responsibility of the District Council and are very expensive to rectify. So we seem to have met a dead end(?)

At the request of the parish council, the village hall committee have agreed to share the cost of a direction sign to the hall.

Neighbourhood Watch two residents have shown an interest in setting up a scheme in North Kyme and on 12th July there will be further information available at the parish council meeting when the two speakers will give advice. All residents are welcome to attend.

## NORTH KYME PRIMARY SCHOOL NEWS

The summer fete was held on 25th June and many thanks go to all who supported us, a very successful event raising a total of £326. Special thanks to Mrs. Everard for donating plants for sale and to Mrs Eastham and Mrs Andrews who organised the stall. Thanks also to Mr Hughman and the members of the dance club for the brilliant performance on the opening of the fete.

## PEOPLE IN THE NEWS

## EDITORIAL - EAR TO THE GROUND

September again and our summer events are over. The strawberry teas in July were excellent despite the torrential rain in the morning. Everyone enjoyed a nice selection of music from Tom Burrows who played with great skill on his keyboard. The music rounded off a lovely afternoon. Any more musicians in the village? The annual Summer Show was luckier with the weather and had a good entry of garden produce even though the summer has been so wet. The craft section was exceptional and the skill of those taking part was much admired by all. The children's entries were well produced but the numbers showing their work were disappointing. I'm sure there must be more than half a dozen children in North Kyme! The prize draw and auction ended the afternoon and over £400 was made for village hall funds.

Lastly, just one week later, the Hog Roast was enjoyed by about 60 people. Thanks go to Cathy and Peter for working so hard and opening their garden to us on such a lovely evening. Glynn provided good music to accompany the food and told us that any request was possible. These three summer events raised over £700 for the village hall upkeep. The committee work very hard and deserve a big 'thank you' for their efforts. A good committee is essential and we would welcome any additions to our already successful team. Di Goddard.

## SPECIAL FEATURES

### PARISH COUNCIL NEWS (12th JULY)

There was a very disappointing turn out of residents for the meeting which had planned a discussion on the 'Neighbourhood Watch' scheme with speakers from the police and Neighbourhood Watch. The presence of such a scheme in a village can affect insurance premiums for residents but also helps for peace of mind, knowing that a co-ordinator will pass on a message from the police (about bogus callers for instance). There is also a special Farm and Country Watch. This is a free service for farmers to link into. See the enclosed leaflet concerning a further meeting on 11th October.

Further items discussed such as the cutting of the grass regularly at the 'Triangle'. This will be done by North Kyme Workshops (Japp) and will be part funded by the Parish Council. The notice board on the picnic area is expected to be finished soon. The village inspection was planned for 16th August. (This took place on 25th August with the Parish Council and a Highways official looking at blocked gullies etc. A full report is awaited.) Next meeting 4th October at 7.30pm.

### COFFEE, CAKE & CRAFTS

Provisional date Sunday 21st November.

This event is a new one which we started last year, it proved really popular and so we hope to make it a regular annual show in the lead up to Christmas. Coffee and various cakes, with some savouries will be on sale throughout the morning. The varied crafts on show will all be made by local residents and cover a large range. There will be many different things to look at including pictures, needlework, jewellery, knitted and quilted items plus Christmas decorations and others. We have ten stall holders already and would be willing to accept a few more if you have something you would like to show. The items need not be for sale but can be if you wish. The plan is to show your hobbies and crafts and maybe give ideas on how to get started to other people. There will be no charge for a stall, if you are interested phone Di Goddard 860872.

### THE SHEENA DAVIS GROUP - Sunday 17th October

We are so lucky to be able to get this fabulous singer and her group back in North Kyme. The last time we had Sheena here she brought the house down and so tickets will be at a premium. Her recent touring schedule included Ronnie Scott's Club in London and the release of her new album 'Young at Heart'. The Birmingham Evening Mail said of her 'An entertainer in the true sense and boy, does she swing!' She has been compared with Eva Cassidy and Dinah Washington. **THIS EVENT NOT TO BE MISSED!**

## L.I.V.E.S. (FIRST RESPONDERS) WEEKEND

It was 'all hands to the pump' over the bank holiday weekend, when the Grice family raised £170 for L.I.V.E.S. with one lucky resident winning a free weekend at the motel. Barbara and Martyn would like to thank everyone for their support.

The Coach House cafe will be closing down for the winter on 24th October, the motel will remain open for bookings as usual. Telephone 861465
