

December 2011 issue 75

Welcome to the Christmas edition of the North Kyme Newsletter. We've had a beautiful mild Autumn, with some unseasonably warm weather. We would like to wish all our readers a Merry Christmas and a prosperous new year.

The quiz night was a huge success as ever, with Di as an excellent quiz mistress. On the night £215 was raised for Village Hall funds. A big thankyou to all those who helped.

Sadly nobody in our village came forward for Kyme Dine With Me. A lot of interest was expressed but unfortunately not followed up!

For any creative ladies out there, there is a Womens Institute Group in South Kyme. Meetings take place on the 2nd Monday of the month. New members always welcome. Contact Julie on 01526 869199 for more information.

As winter is fast approaching, if you are faced with a problem and are unsure where to go or what to do, your Parish Council have compiled a list of useful contacts who may be able to give advice, guidance and support. Therefore please contact the parish clerk for more information on 01526. 861553.

I would like to thank the villagers of North Kyme and friends from elsewhere for the wonderful cards and words of condolence at the sad loss of my husband Tony. They helped me a lot.
Marilyn

The Village Hall Committee would like to thank the people of North Kyme for their help during 2011. Also to wish everybody a Merry Christmas and a Happy New Year.

Yvonne and Kimberley have been selling Avon in North Kyme for over 2 years now. A big thank you to all our customers who have supported us over this time. Avon offers a fantastic range of products, make up and gifts and catalogues are issued every 3 weeks, with no obligation to buy every time. If you are new to the village or have not bought from us before and would

like a catalogue to look at, please contact us on 861051. We live in the village and so will be happy to call and answer any questions you may have. We would like to wish our customers Happy Christmas and continued happy shopping with us and look forward to meeting any of you who may be interested in the future.

Parish Council News.

The parish is once again having a Christmas tree in the village once again donated by the Oakwick lads. Last year we had a great sing song of carols and hope to make the event bigger and better than last year. We would love to see you all there.

The road works have caused us a lot of problems this last month causing a lot of inconvenience to North Kyme. The council did contact Lincolnshire Highways and suggested it would have been courteous to have informed residents of the disruption

Finally the council would like to wish the whole parish a very happy Christmas and new year and convey our thanks to all who have devoted their time throughout this year helping to make North Kyme a special place to live. **Thank you**

October 2011 Issue 74

Welcome to the October edition of the North Kyme Newsletter. Autumn has arrived with all its colour and bounty. I know all you gardeners have been busy with the harvest, preserving, pickling and jam making.

We had our Annual Village Show on the 13th of August. As ever it was a great success. In excess of £700 was raised for the village hall funds. We had lots of entries in every section, see below for winner details. Thanks to all the people who helped on the day, who participated and those who contributed prizes for the raffle.

The Plough Dog Show was held on the same day. This too was a great success, with many varied entries. Best Puppy in Show was Russell Wright's border terrier called Charlie, and Best in Show was won by Mrs Fossett with her Dachshund Casper.

Don't forget the Quiz Night on 8th October, there will be a buffet and its BYOB. An excellent night for all ages!!

As a way of getting to know people in the village better, we are trying to organize a 'Kyme Dine With Me' over the winter. Those who are interested please call Dara. This competition will be based 'roughly' on the TV programme. Details to be put on website shortly.

Parish Council News

If you have had a chance to look at the web site, you will have seen that we have finally received the traffic data report from our mobile speed indicator. The parish has now sent this data to the Lincolnshire road safety department to try and initiate a full survey. The eventual aim being to get a permanent speed indicator or deterrent in the village

The council would like to thank a thoughtful resident in the village who has donated a much needed seating bench for the playing field. With the current financial climate effecting parish income too, this was much appreciated.

Obituary

It is with great sadness that we must inform the parish that one of our most likeable and proactive councillors, Tony Carroll passed away on 12th of September. Tony gave many hours of his time not only carrying out parish council duties but also organising the village Christmas discos and playing a major part in raising money through grant applications for our village hall project. Our thoughts are with Marilyn and family.

Thanks

To all the people and businesses who contributed raffle prizes for the Village Show
Thanks to the Plough Inn for hosting the Dog Show their kind donation.

WELCOME TO NORTH KYME NEWSLETTER

Welcome to the summer edition of the North Kyme Newsletter. We have some warm weather at last, now is the time to get out and enjoy the sunshine!!

On the 23rd of July the official opening of the Village Playing field took place. The Playing field was dedicated to John Goddard and was opened excellently by Di Goddard. With the unveiling of a plaque and the planting of an oak tree. We had a falconry display from Rushmore Park, near Louth, a bouncy castle, tombola and Bar-B-Q. Many thanks to all the people who helped on the day. It was a lovely day, the new hall was open and all were impressed with the progress being made.

Congratulations to Simon Maplethorpe who was nominated for a North Kesteven Unsung Hero Award. Out of 124 nominees Simon made it through to the final 5.

Don't forget your entries for the Annual North Kyme Village Show, on the 13th of August. So, all you budding gardeners and florists out there get planning. Categories can be found on the website below. There is also a childrens section, which allows any children who do not live in the village but have parents or grandparents who do to enter. The Plough Dog Show will also be on the same day, with many classes for all manner of dogs!

Parish Council News

The Parish council are on their August break from meetings. However this doesn't mean we are on holiday from thinking of great ideas for our village. We are already planning our Christmas events!

It was great to see Simon Maplethorpe nominated for a NKDC award. He and wife Jane accompanied by chairman of the parish council Glynn Pout, attended the presentation at Whisby nature reserve. (Making the most of the hospitality)! One of the prize winners was Reg Johnson who is the force behind the Skirth regeneration group. This project does involve North Kyme, but as yet the group has no volunteers from our village. If you would like to get involved in this exciting project then stop off on a Sunday morning at Billingham bridge and have a chat with Reg.

It was great to see Jade, Dan and Will giving up their holidays to paint the benches at the pic-nic area. Over the last few newsletters we have been having a little rant about people getting a bit more involved in the community, but I do think it is time now to say a massive thank you to all of those who work tirelessly on village committees, clubs and groups, all helping to make North Kyme a great place to live.

June 2011 Issue 72

Welcome to the North Kyme Newsletter. The Village Hall Committee held a Garden Bring and Buy sale. This raised £40 for charity. Thanks to all those who supported and participated to make this event a success.

The Parish Meeting was held at the new Village Hall on the 7th of May. This event was well attended. There were guided tours of the new hall and refreshments were provided courtesy of the Parish Council. This is a good precursor for the official opening of the sports field. This will be held on the 23rd of July at 2pm. Come along and join in the fun and games! Refreshments available, and lots of other entertainment too. Everybody welcome.

Don't forget your entries for the Annual North Kyme Village Show, on the 13th of August. So, all you budding gardeners and florists out there get planning! We have some new additions this year. There is a childrens section, which allows any children who do not live in the village but have parents or grandparents who do, to enter. The Plough Dog Show will also be on the same day. Parish Council News

The parish elections have been and gone, we have two applications for the last seat on the council, so by the time the newsletter goes to print we will have a full compliment on the council. The newly elected council can be seen on the village website at www.northkyme.com

After our rant in the last issue of everyone helping out to make the village a nicer place to live, we have to give a big thank you to Shane Limb and Simon Andrews for donating their time to prepare and re-paint the millennium bench. Next on the list, the re-staining of the picnic area furniture.(Any takers please contact any member of the council who will supply you with everything needed).

Please remember you are invited to be an audience at all parish council meetings. These are usually held on the second Wednesday of each month. Please see parish notice board for confirmation. Enjoy the sunshine and we hope to see you at the official opening of the playing field on the 23rd of July.

Looking ahead, building work will soon begin on improving the children's toilet facilities in school. New computers and furniture will be ordered for our ICT suite and all our children will begin swimming in June.

Finally I would like to thank everyone for their continued support and we look forward to meeting you all at the events planned this term including our Summer Gala on 17th June, which starts at 3.30pm.

Thankyou:

Many thanks to Anne and Steve Colclough for building and planting the new flower boxes at both ends of the village. Also thanks to Matthew Dring and Trish Darlington for their kind donations of plants.

Parish Council News

The Parish Council is currently well on the way in to re-furbishing the village signs you see when entering the village. The signs are the first thing, and therefore the first impression that people get of our village as they enter, so along with the signs, the council is sponsoring the flowers that will be planted underneath the signs. These are all efforts by the council to make North Kyme a more pleasant place to live.

Every year the council gets the invitation to enter into the best kept village competition. We have in the past thrown our cards in believing our village would never match up to the likes of Rauceby, or last years winners South Kyme. However, there are beautiful gardens all around the village; we have an ancient market cross, a millennium bench and stone, a picnic area and a playing field! All of these require looking after and we mustn't wait for "someone else" to make these areas look their best. So in short, what we are asking is that, we all live in the village, so if you have time and if you are able, let's try and make North Kyme a village to be proud of....

See some litter; pick it up, weeds growing on the pavement outside your house? pluck them out. Its small things like these that could make us all proud of where we live.

Lastly, don't forget to vote in the local elections next month.

Glynn Pout Chairman, North Kyme Parish Council

Welcome to the New Year and welcome to the North Kyme news which now has new editors.

We would like to thank Elaine for all her efforts in both the writing and delivering of previous issues.

It was a first for North Kyme this Christmas with the erecting of our first village Christmas tree. The idea was trialed by the parish council and turned out to be a huge success with many people turning out to sing carols, eat mince pies and sip mulled wine. We hope next year to go bigger and better. Many thanks to the Old Coach House Motel and to the lads at Oakwick for making the event possible.

Hopefully the bad weather is behind us and we can all look forward to the nights drawing out and it getting that little bit warmer. Our main road through the village coped better than most with the frosts which is just as well as NKDC have had large budget cuts, meaning that if potholes had appeared, we would have had to wait a long time for them to be repaired. So, was all the upheaval of the summer road resurfacing worth it? I think we have to say yes!

Parish Council News

The Parish Council took a Christmas break, so there was no meeting in December; however Councilors were still busy at village cluster meetings. These meetings allow our Parish Councilors to see what is happening in nearby villages. The chief executives of NKDC attend these meetings, as well as the Chairman of Lincoln County Council and Lincolnshire Police.

Although these are closed meeting, if you have a question that you would like fielded then please contact one of the Parish Council. Who are your parish council? Have a look at www.northkyme.com. It is important that you know who to prod in the street if you have an issue concerning the village!

We are currently looking for volunteers with a couple of hours free to join the Billingham Skirth Regeneration Group, who are currently working on building a path from North Kyme to Billingham. There are many volunteers at the Billingham end but very few from North Kyme!!

If you feel you could help in any way, (It is not all shovel work!), then please contact Reg Johnson, tel: 0798 9126848. See more on the website.
