Congratulations

Congratulations to Mat Gardner and Lindsay Mayhew on the birth of their son Arthur James on the 15th November 2012, weighing a healthy 10 lbs! A baby brother for Abigail, Libby and Ellis.

Parish Council

As Chair of the Parish Council I have been lucky enough to have had fantastic support from a much changed council this year. We now have two ladies on the council, as well as a much needed injection of youth. The members of the council do so for their love of the village in which they live. Its is not a paid job and for yet another year no expenses at all have been claimed, even though the job requires lots of running around and attending meetings.

The village cannot work however with just a group of great councilors. It is the rest of the community who really make things happen, the Village Hall Committee, the people who run the many clubs and groups in the village, the businesses that support the village and last but not least those people who just help out when help is needed. Thank you all so much for making North Kyme a special place to live.

Our huge task for next year is to get our new hall up and running, by hook or by crook, this will happen. When we have moved in I'm sure we will see the village supporting all the many anticipated new events that we will be able to cater for.

One other person I would like to thank is our extremely efficient clerk, Karen Handley who assures smooth running of the council affairs.

Have a great Christmas and a prosperous New Year
Glynn

Welcome to the Autumn Edition of the North Kyme Newsletter. We had our Annual Show at the New Village Hall Playing Fields in August. It was a great success, with dozens of entries by many people from the village, from flower arrangements to fruit and veg, jams to wine, cakes and crafts to the children's section, we had it all!!.

We also held a dog show organized by Stella Mitchell. It was very well attended, with over 20 entries. The Best in Show was Mrs Fosset with Casper the Daschund, Best Puppy was James Syson with Lewie the Alaskan Malemute. Many thanks to Di Smith for judging and Jan Ralph for Stewarding. Overall the day raised £750 for the Village hall. Many thanks to all who helped on the day.

Village Hall News.

Having explored the majority of the major grant bodies, the Parish Council along with the Village Hall Committee have agreed it would be in the interest of the village to apply for a loan from the Public Works Loan Board in order to finish the project, and have the new hall up and running by the end of the year. This option will only be considered should we be unsuccessful in obtaining grants applied for that are still pending. The Village Hall Committee believe that the current hall may become unusable in the near future.

The terms of a loan will be such that it will be set for 25 years, with the parish paying £3000 p/a to service the loan. However the village hall also has an income. Last year the hall had a gross income of £3000. We can see therefore that the hall is not far off being able to service the loan itself. The intention is that the income of the new hall will be monitored by the Parish Council, and payments to

them to help service the loan will increase accordingly, thus the amount the parish pays will decrease accordingly. The precept is then reduced.

It must be remembered that even with a £55,000 loan the hall will still come in at £70,000 under budget. This is due solely to the volunteer work that has been carried out by the community.

What will this mean to the parishioners of North Kyme in real terms?

If the Public Works Loan is successful each household in the parish will be affected, by means of a rise in their annual parish charge that appears on your council tax bill. The current premium for the parish charge is £17.63 per year (one of the lowest in the county). If or when the loan goes ahead the household charge may rise by £17 per year.

It is hoped that once the hall is open and self sustaining, the parish charge will then be reduced to near its current level.

This is a long term plan that we will all benefit from and has been put in place to ensure North Kyme flourishes and sustains its community for many years to come.

Glynn Pout, Chairman North Kyme Parish Council

We had our Celebration day at the Village Hall playing fields on the 2nd of June. Luckily the weather held and it stayed dry. There was an array of stalls and exhibitions. The Pod and the North Kestevan climbing wall was enjoyed by young and old alike. There was also a reptile display that was very well attended. There was a childrens sports day and of course the Terrier racing! Well done to Max, North Kyme's Fastest Dog!!! The Ruffs played a set in the afternoon, and the new North Kyme Beacon was lit in the evening. We raised over £600 at the event, thanks again to all who attended and participated.

Parish Council News.

The Annual Parish Meeting was held last month, a very helpful suggestion was made by Dawn Green who asked the council to consider putting some news letters next to the parish notice board for collection by those not on the newsletter delivery round. The council will be looking at this at their next meeting.

Shortly you will notice a doggy bin at the fen end of Vacherie Lane. Please use and encourage others to use this facility

Many thanks to all who put a donation in the new hall envelopes. The hall raised nearly £3000 from your kind donations. We're nearly there!.

Thanks

Thanks to all who helped at the new Village Hall to put in the insulation and to all of those who helped in the run up to the Celebration Day. It is thanks to these people that the day was such a success!!

Spring has sprung in North Kyme, especially with the clocks going forward, giving us a lovely stretch in the evenings!

Things have progressed well with the Diamond Jubilee preparations. A committee has been set up and a Celebration Day is being organized for Saturday 2nd June. We are hoping this will be a fun day for the whole village. Everybody is welcome! We will be having sports events, tombollas, a climbing wall, reptile demonstration, terrier racing, and fancy dress. Plus much more. Food and drinks available all day. There will also be a disco in the evening. The whole event will be held at the new Village Hall.

If there is anybody who would like to have a stall or display on the day please contact Stella on the number below.

Again Di Goddard hosted an excellent quiz at the village hall which raised £247, well done Di!

We also had a medium evening with Victoria Oats which was very well attended raising £122. Many thanks to all those who helped.

Parish Council News.

Annual Parish Meeting. Wednesday May 9th

The Annual Parish Meeting will be held this year before the AGM at 6.30 pm. The parish meeting is the time when you can come along and tell the chairman of the Parish Council what you like or don't like about how the village is being managed. If you have a great idea that you think the village would benefit from, then come along and tell us.

There will be soft drinks as well as coffee, tea and biscuits all provided free of charge for those attending.

Village Hall Update.

If you can remember back to the last newsletter, I was saying how we were getting close to using the last of our funds. Through a lot of hard work and negotiation we have managed to cut the charges of some of the more costly tasks. This means we are that much closer to completing the project. With no further funding forthcoming at this time, we are desperate to have the hall fully functioning for the Diamond Jubilee. The money we have left is to be spent on the structure and services to the building.

A "Gift Aid" donation envelope is being delivered to every household in the parish in the hope that we can raise funds in a last push to purchase every thing from tea towels to a hardwood floor for the hall. These donations will be going right to the heart of your community

The envelopes will be collected in the second week of April. Any donation large or small, cheques or cash will be greatly appreciated!

Lets make this happen for our community!

Parish Council News.

The parish council would like to wish all the residents of the village a happy new year. Remember that the council works on your behalf, so if you have any issues regarding village matters, please let us know or simply come along to one of the meetings and have your say in a 20 minute session before each meeting commences.

I would like to use the rest of my news letter space to put the village in the picture as to what is happening with regards to the new village hall. We must give up our current hall by April. So the aim was to have the new hall functioning to some degree by this date. The sad truth is that despite relentless funding applications and frugal use of our funds we are still £15,000 short to having a part of the hall usable and some £45,000 short of having it fully functional. This really is a plea to any one in the village who has any fund raising avenues that could possibly raise these sorts of funds to contact myself. If this money is not raised then the stark reality is North Kyme could be without a communal meeting place for many months. We continue to rely on people offering their time and skills to bring the project to completion. If you can offer any help what so ever it would be greatly appreciated.
