## HAPPY VALENTINES DAY AND EASTER

Welcome to the North Kyme Newsletter. The days are getting longer and spring is fast approaching! After all the recent rain, things are getting back to normal and we certainly will not be having a repeat of the drought of this time last year!!

The 60's and 70's disco was very well attended and went off with a bang with our resident DJs Tarquin Tinsel and Terry Gold hosting the evening. Well done to all those who dressed up and thank you to the organizers of this event and for the excellent food.....70's style!! £111 was raised on the night.

Please remember Easy Fundraising for the Village Hall, which can be done at [www.easyfundraising.co.uk](http://www.easyfundraising.co.uk). A huge thank you to all who have recently donated to the Village Hall funds, all donations are gratefully received. Finally, any donations to St Luke's Church to help pay for oil would be a great help.

Don't forget Di's Quiz Night that will be held at the Village Hall on March 9<sup>th</sup>. It is always an excellent night, with keen competition!! A buffet will be provided.

## **Parish Council**

So, this is the year our village hall gets finished. It's been a long time coming but will be a brilliant asset to the village once it is up and running. Many thanks to all of you who have donated, labored and raised money for the project. The council are now ready (pending a precept agreement) to apply for enough money to finish off the hall. It's taken a long time but with a facility such as this in the village, it will make North Kyme THE place to live (keep an eye on the web site for progress reports).

After the rough winter you have reported to the council many many concerns about pot holes and street lights that have given up the ghost. The council can see about them getting repaired, however, there is a quicker and more effective way of reporting these faults to the district council, if you have use of the internet. The site is [www.n-kesteven.gov.uk](http://www.n-kesteven.gov.uk) you will click on the "Report" tab and be able to report direct as well as being able to track the progress of your complaint.

Members of the parish council met up with Lincolnshire's new police commissioner early this month. At the meeting Alan Hardwick was questioned directly by us on several subjects concerning North Kyme, including speeding and hare coursing.

## **CALLING ALL GIRLS AND YOUNG WOMEN AGED 5 – 14!**

Did you know that girls and young women aged 5 – 14 meet every week at a Rainbow, Brownie or Guide Unit? During the meeting time they take part in a host of different activities and trying their hand at exciting challenges such as making sandwiches blindfolded, playing rounders, bike rides, cooking, food tasting (usually involving chocolate!), parties, camping and going to pop concerts.

We currently have 3 Rainbow units (age 5 – 7), 3 Brownie Units (age 7 – 10) and 2 Guide units (age 10 – 14) in Heckington and Billingham, which see over 130 girls joining the fun every week. And the good news is we still have space for new members ☺

*“It’s really rewarding seeing the girls enjoy themselves and achieve things they may never have dreamed of. Plus as a volunteer you can learn new skills and experience things you wouldn’t otherwise have the chance to do.”*

### **Parish Council News**

We are pleased to say that after the successful acquisition of the Public Works Board Loan, this money has now been gifted to the Village Hall Charity. Before this transaction was completed, the council scrutinised, once again, exactly how the money was going to be spent. We are now looking forward to the hall opening in August! (Look out for publicity regarding the opening).

The annual village meeting passed once more in May with only a hand full of the public attending. The main point to come out of the meeting was that the parish council has a small fund available to fund ideas that anyone from the parish has to aid our village. This could be anything from starting a new group, or offering a service that the village could benefit from. We would love to hear from you. Have a great summer and we hope to see you all at the opening of the new Village Hall

## **Parish Council News**

The parish council had its annual one month holiday in August, and so it was to the first meeting back in September to play catch up. The council were particularly impressed with the village hall committee and how they had after the very, very long journey opened our magnificent new hall. The council reviewed the accounts on how the precept loan had been spent in order to

complete the hall. The team had come in right on budget and the council were unanimous in agreeing the loan had been spent showing value for money and in the villages best interest.

We have some money this year to spend on village projects, Already earmarked are, improving our bus shelter (to make it a little more attractive) and also to remove the old furniture from the nature reserve and look into replacing it with new outdoor plastic seats and tables.

Parish council meetings are held on the 2<sup>nd</sup> Wednesday of each month and all are welcome to sit and see what goes on. Before every meeting there is a 20 minute period where you can voice your opinion on any village matters. We are aware of many newcomers to the village and we would be delighted to see you there.

Chairman North Kyme parish council
